## ABOUT US

The Miami Auto Museum at the Dezer Collection features the largest and most eclectic Transportation collection and memorabilia taking guests on a once in a lifetime trip down memory lane as they trace the evolution of one of mankind's greatest inventions.

Featuring several "unique" spaces that can be configured to accommodate parties of every size, guests will dine and mingle amidst a multi-million dollar expansive collection of the most eclectic automobiles, motorcycles, bicycles and memorabilia in the world. Hear them marvel as they weave through the James Bond Exhibit and our unique "Hollywood Cars of the Stars" Exhibit featuring lavish vehicles from some of Hollywood's most celebrated films and television shows of all time.

Turn the hands of time back to a simpler era when cars were considered works of art.
