

## Kelly Country Albury HOG

To the Chapter and Rally Committee of Rocky HOG

Thanks for a great Rally.

Five Kelly Country Albury HOG members made the long trek to Rocky for the Qld State Rally. We were rewarded with a fantastic ride through some amazing country, and then a great time at the rally, and a great ride home again. Congratulations on a very well organised event, it was obvious that a lot of time and effort went into the rally and it really paid off. A couple of the highlights;

- the Thunder Run was probably the best ever, nearly 700 bikes moving along at a reasonable speed, crowds on the roadside, and a cooperative police force helping with traffic management
- the Rally venue - fantastic for big events
- the bull riding at the pub after the Thunder Run. Its special events like this that make it memorable

The combination of a great rally and a great road trip made this a fantastic combination. so much so that we are definitely coming to the 2010 Qld Rally and more of our members are likely to come along after hearing us rave about the 2009 one.

Thanks again

Brendan "Curls" O'Kane
