Williams St  
Rockhampton

Dear Mark

I wanted to thank you and your chapter for a fabulous State Rally. About 20 of our chapter attended and all commented on what a great time they had. The organised rides, the shuttle buses, the venue, the Thunder Run, the dealership, the gymkana, – all great.

You and your members really deserve medals. We certainly appreciated the awesome effort put in by so many people to make sure that we had a great time.

Thanks again

A handwritten signature in black ink, appearing to read 'Guenter Hediger'. The signature is stylized with a large loop and a long horizontal stroke.
