

**Congratulations** to Rocky Chapter.

What a great Rally you put on, great venue and great organisation.

Well done.

We attended your last rally 11 years ago and that is when Craig & I met each other. The result of that is married with 2 children, a dog, mortgage etc.

So this years Rally was a bit special for us & you didn't disappoint.

Once again Congratulations for all of your hard work.

We didn't hear one negative about the rally from anyone and we all had a good time.

Kind regards

Nerissa & Craig Tatham Brisbane Chapter.
